

Contributors License Agreement for PEPC

Version 1.1, Mar. 2025

Thank you for your interest in contributing to *The Pretty Efficient Parallel Coulomb Solver* (PEPC) developed at the Jülich Supercomputing Centre, Forschungszentrum Jülich GmbH. We value your dedication to improve PEPC by offering to submit a contribution. Every contribution is important, from code to documentation, from asking questions to providing answers. We believe that **better software** results in **better research** and embrace the idea of **public money = public code**, thus developing PEPC under an open-source license.

We promise that Your Contribution will be part of the open-source edition, if it gets merged. Before being able to merge Your Contribution, we need to clarify the legal aspects and document the rights granted by contributors to Us. That's why we ask You to sign this Contributors License Agreement ("CLA" or "Agreement"). The CLA does not change Your right to use Your own Contributions for any other purpose but instead is there to protect Your rights as the author of Your code and gives Us the chance to use Your Contribution just the way You want it. Since the CLA constitutes a legal binding agreement, we want You to fully understand what you are signing. Therefore, if You have any questions or comments, feel free to contact us via email at pepc@fz-juelich.de.

Thank you for sharing your time and work with us!

How to use this Contributor Agreement

If You agree to be bound by this CLA, fill in the information requested below (either digitally or on paper), sign the CLA where indicated below (again either digitally with a valid x.509 certificate or on paper), then return the digital form or scanned document to pepc@fz-juelich.de or send it by regular mail to Jülich Supercomputing Centre (JSC), Forschungszentrum Jülich GmbH, Wilhelm-Johnen-Straße, 52428 Jülich, Germany. If You are an employee and have created the Contribution as part of Your employment, You need to have Your employer approve this Agreement. If You do not own the Copyright in the entire work of authorship, any other author of the Contribution should also sign this – in any event, please contact Us at pepc@fz-juelich.de.
